Refund Policy: Teams that must cancel for any reason are handled in the following manner. If notice is given 15 days prior to the tournament date the team can request a full refund or can choose to apply the tournament fee toward a future tournament. If notice is given less than 15 days prior to the tournament date, the team shall forfeit their entry fee unless a replacement team can be found. If a replacement team is found, the canceling team is responsible for paying the difference of the tournament fee, if a discount has to be given in order to secure a replacement team.

Every effort will be made to ensure that the guaranteed number of games is played. However, the tournament organizers cannot be responsible for forfeits due to the negligence of another team. Forfeited games (if any) count in satisfying the requirement for the guaranteed games for the tournament. Teams are not refunded for any games forfeited. Please note that game cancellations are rare.

Early Departure Penalty: Teams that leave the tournament early and forfeit their last game will be prohibited from competing in future events. Please demonstrate responsibility, professionalism, and sportsmanship by playing all scheduled games. <u>Do not register if you cannot make this commitment</u>
